28 Submarine Industrial Base Suppliers

The ARIZONA submarine industrial base has received approximately \$235,623,780.86 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Data Storage and Management Solutions
- Moisture Control Solutions
- Software Solutions
- Electronic Instrumentation
- Flow Measurement and Control
- Precision-engineered Components
- Structural Beams, Columns and Plate
- Computer Components

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
