## 79 Submarine Industrial Base Suppliers

The WASHINGTON submarine industrial base has received approximately \$587,930,637.80 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Large High Strength Castings and Forgings
- Electronic Control Equipment
- Specialty Electronic Components
- Precision Machining
- Computer Products
- Mechanical Hardware
- Shafts and Couplings
- Specialized Hydraulic Equipment
- Alloy Castings
- Calibration Equipment
- Engineering Services
- Metal Plate
- Forgings for Imaging Equipment

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
