31 Submarine Industrial Base Suppliers

The MINNESOTA submarine industrial base has received approximately \$358,557,467.81 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Telecommunications Equipment
- Engineering Services
- Hydraulic Components
- Filters
- Professional Services
- Composite Materials (Microspheres)
- Electronic Supplies
- Brushes
- Generators
- Cables

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
