11 Submarine Industrial Base Suppliers

The OKLAHOMA submarine industrial base has received approximately \$18,789,809.00 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Instrumentation
- Air Compressors
- Electrical Connectors
- Fiber Optics

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
