288 Submarine Industrial Base Suppliers

The **VIRGINIA** submarine industrial base has received approximately **\$3,858,855,406.00** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Reactor Cores
- Exterior Communications
- Hydraulic Valves and Controllers
- Pressure Regulators
- Electronic Control Equipment
- Specialty Electronics
- Precision Machining
- Computer Products
- Chemical Products
- Cable
- Weapons Handling Equipment
- Quiet Pumps and Controllers
- Pneumatic Quieting Valves and Manifolds
- High Pressure Seals
- Exotic Alloys
- Calibration Equipment
- Acoustic Coatings
- Engineering Services
- Fiber Optics
- Wireless Communication Equipment

VA

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
