

# CONNECTICUT

**\$2,001,881,657.08**

## 351 Submarine Industrial Base Suppliers

The CONNECTICUT submarine industrial base has received approximately \$2,001,881,657.08 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Air Revitalization Equipment
- Electronic Control Equipment
- Control Valves
- Software Development
- Electrical Distribution Equipment
- Specialty Alloys
- Specialty Filters
- Specialized Command & Control Electronics
- Oxygen Generators
- Differential Pressure Transducers
- Specialty Castings & Forgings
- Microswitches
- Specialty Hydraulic Valves
- Shipboard Fire Control Equipment
- High Speed Bearings
- Pipe Fittings

CT

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
