66 Submarine Industrial Base Suppliers

The MARYLAND submarine industrial base has received approximately \$737,165,122.76 in purchase order awards, which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Periscope Bearings
- Electronic Relays
- Towed Sonar Components
- External Communication Equipment
- Engineering Services
- Rubber Hoses
- Noise Testing
- High Pressure Control Valves
- High Power Fuses
- Nuclear Instrumentations
- Electrical Components
- Computer Equipment Software/Services/Testing
- Chemical Analysis
- Extrusions

MD

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
