102 Submarine Industrial Base Suppliers

The NEW JERSEY submarine industrial base has received approximately \$973,591,752.14 in purchase order awards, which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Condensers
- Electronic Control Equipment
- Differential Press. Transducers
- High Pressure Pumps
- Specialty Castings & Forgings
- Electrical Distribution Equipment
- Specialty Alloys
- Specialty Electrical and Electronic Cable
- Engineering/Design Services
- High Pressure Air Compressors
- Quiet Motors and Fans
- Control Valves
- Specialty High Pressure Valves
- Electronic/Electrical Components
- External Comm. Equipment
- Specialty Filters
- Computer Products

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
