

CALIFORNIA

\$6,383,360,360.17

178 Submarine Industrial Base Suppliers

The CALIFORNIA submarine industrial base has received approximately \$6,383,360,360.17 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Electronic Control Equipment
- High Pressure Valves
- Sonar Equipment
- Atmosphere Monitoring Equipment
- High Density Electrical Connectors
- Specialty Alloys
- Accelerometers
- Specialty Machining
- Sound Insulation Coupling
- Control Valves
- Main Propulsion Equipment
- Navigation Equipment
- Nuclear Instrumentation
- Specialty Hydraulic Valves
- Quiet Valves and Fittings
- Specialized Command and Control Electronics
- Software Services

CA

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
