## 231 Submarine Industrial Base Suppliers

The MASSACHUSETTS submarine industrial base has received approximately \$2,943,055,261.34 in purchase order awards, which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Turbine Generator Components
- Electrical and Electronic Equipment
- High Pressure Air Compressors
- Reactor Control Equipment
- Specialty Sensors & Switches
- Specialty Forgings & Castings
- Precision Gears
- Dehumidification Equipment
- Periscopes
- Quiet Hydraulic Valves
- Resilient Pipe Mounts/Sound Isolation Mounts
- Purification Filters
- Specialty Alloys
- Non-ferrous Specialty Castings
- Internal Communications Equipment
- Ion Exchangers

MA

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. It does not include funding for the two submarine suppliers. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
