## 85 Submarine Industrial Base Suppliers

The **FLORIDA** submarine industrial base has received approximately **\$237,816,652** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Electronic Controls
- Electronic Monitoring Equipment
- Hydraulic Valves and Controllers
- Internal Communications Equipment
- Photogrammetry
- Precision Machining
- Special Application Rubber Products
- Special Purpose Coatings
- Specialty Alloys
- Specialty Electronic Components

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
