## 68 Submarine Industrial Base Suppliers

The **MARYLAND** submarine industrial base has received approximately **\$259,212,111** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Chemical Analysis
- Computer Equipment Software/Services/Testing
- Electrical Components
- Electronic Relays
- Engineering Services
- External Communication Equipment
- Extrusions
- High Power Fuses
- High Pressure Control Valves
- Noise Testing
- Nuclear Instrumentations
- Periscope Bearings
- Rubber Hoses
- Towed Sonar Components

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
