111 Submarine Industrial Base Suppliers

The **NEW JERSEY** submarine industrial base has received approximately **\$356,855,353** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Computer Products
- Condensers
- Control Valves
- Differential Press. Transducers
- Electrical Distribution Equipment
- Electronic Control Equipment
- Electronic/Electrical Components
- Engineering/Design Services
- External Comm. Equipment
- High Pressure Air Compressors
- High Pressure Pumps
- Quiet Motors and Fans
- Specialty Alloys
- Specialty Castings & Forgings
- Specialty Electrical and Electronic Cable
- Specialty Filters
- Specialty High Pressure Valves

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
