143 Submarine Industrial Base Suppliers

The **RHODE ISLAND** submarine industrial base has received approximately **\$109,021,653** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Chemicals
- Composites & Plastics
- Computer Products
- Contract Personnel
- Electrical Components
- Engineering Services
- Gas Equipment
- Hoses
- Industrial Supplies
- Instrumentation & Testing
- Mechanical Products
- Rubber Products

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
