74 Submarine Industrial Base Suppliers

The **ILLINOIS** submarine industrial base has received approximately **\$203,832,036** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Diesel Generator
- Electrical Distribution Equipment
- High Pressure Pipe
- Hydraulic Valves
- Main Storage Batteries
- Precision Gears
- Precision Machining
- Radar System Components
- Solenoids and Controllers
- Specialty Alloys
- Specialty Forgings & Castings
- Valves and Piping Components

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
