\$560,955

8 Submarine Industrial Base Suppliers

The **KANSAS** submarine industrial base has received approximately **\$560,955** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Electrical Components
- Specialty Welding Products
- Shielded Coaxial Cable

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U. S. that are not represented.
