

CALIFORNIA

\$4,576,716,498.00

198 Submarine Industrial Base Suppliers

The CALIFORNIA submarine industrial base has received approximately \$4,576,716,498.00 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Electronic Control Equipment
- High Pressure Valves
- Sonar Equipment
- Atmosphere Monitoring Equipment
- High Density Electrical Connectors
- Specialty Alloys
- Accelerometers
- Specialty Machining
- Sound Insolation Coupling
- Control Valves
- Main Propulsion Equipment
- Navigation Equipment
- Nuclear Instrumentation
- Specialty Hydraulic Valves
- Quiet Valves and Fittings
- Specialized Command and Control Electronics
- Software Services

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
