42 Submarine Industrial Base Suppliers

The WISCONSIN submarine industrial base has received approximately \$291,041,536.67 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Instrumentation
- Composites
- Electrical Products
- Valves
- Industrial Chemicals
- Machining Services
- Computer Products
- Electronic Products
- Diesel Generators
- Bearings
- Firefighting Equipment
- Distilling Equipment

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
