## 67 Submarine Industrial Base Suppliers

The       **MARYLAND**       submarine industrial base has received approximately       **\$466,297,304.39**       in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Periscope Bearings
- Electronic Relays
- Towed Sonar Components
- External Communication Equipment
- Computer Equipment Software/Services/Testing
- Rubber Hoses
- Noise Testing
- High Pressure Control Valves
- High Power Fuses
- Nuclear Instrumentations
- Electrical Components
- Engineering Services
- Chemical Analysis
- Extrusions

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
