7 Submarine Industrial Base Suppliers

The **UTAH** submarine industrial base has received approximately **\$240,697,071.00** in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Software Solutions
- Heating & Custom Accessories
- Regulators

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
