95 Submarine Industrial Base Suppliers

The FLORIDA submarine industrial base has received approximately \$659,137,410.09 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Internal Communications Equipment
- Hydraulic Valves and Controllers
- Specialty Electronic Components
- Special Purpose Coatings
- Electronic Monitoring Equipment
- Pipe Fittings
- Electronic Controls
- Specialty Alloys
- Special Application Rubber Products
- Precision Machining
- Photogrammetry

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
