

\$21,686,439.00

12 Submarine Industrial Base Suppliers

The MAINE submarine industrial base has received approximately \$21,686,439.00 in purchase order awards which provided highly skilled, high-wage manufacturing jobs producing specialized components and materials. These products include:

- Pumps
- Building Systems
- Machine Tooling
- Overhead Cranes & Hoists
- Environmental Technology
- Precision Machining
- Professional Services

Funding listed is the total amount spent or contracted to submarine suppliers over the past five years for major submarine programs. While the maps offer a good representation of the economic impact submarine programs have on communities, it is estimated that thousands of additional lower tier suppliers exist across the U.S. that are not represented.
